

## BOY AFRAID TO WED, SO FIANCEE, MOROSE, ENDS LIFE WITH GAS

"To Love Is to Taste Death,"  
Wrote Lovesick Girl, Pre-  
paring for Death.

Sheffield was only sixteen and Sam  
Shuman nineteen when they met two  
years ago, fell in love and decided to be  
married. The girl had been here two  
years, having come from Russia, and  
was making a living as a dressmaker on  
children's clothes. Sam worked in a  
East Side sweatshop.

Rose's earnings were small but they  
sufficed to keep her. Sam's were not  
much larger and he had to help sup-  
port his father and mother and smaller  
brothers and sisters. So the wedding  
was delayed against the time that Sam  
should get a raise.

But the raise was slow in coming  
and recently Rose, tired of the long en-  
gagement, wrote, asking Sam to marry  
at once.

"Between us we can earn enough to  
keep a home," she wrote. Again and  
again the girl wrote to the address in  
Cherry street where Sam and his family  
lived and presently one of her letters  
was returned. Sam had moved. The  
girl brooded. Mr. and Mrs. Isidor  
Schmidt, with whom she lodged at No.  
148 Watkins street, Brooklyn, noticed it  
and tried to cheer her up. They thought  
they had succeeded.

Shortly before 6 o'clock this morning,  
however, the Schmidt baby aroused the  
parents by crying. The father rose to  
warm some milk for the infant and then  
smiled gas escaping. He tried the door  
of Rose's room. It stuck. The bed was  
placed against it. Schmidt exerted his  
strength to force the bed away. On it  
lay Rose unconscious. Gas was escaping  
from an open jet over the girl's head.  
Dr. Regan came and took her to St.  
Mary's hospital. She died there a few  
hours later without regaining conscious-  
ness. She left a note saying no one but  
herself was to blame, and closing with  
this line:

"To love is to taste death."

## \$13,000 STOLEN FROM MAILS.

Mysterious Theft in Montana and  
Washington Puzzles Sleuths.

SPOKANE, Wash., Oct. 7.—Thirteen  
thousand dollars have been stolen with-  
in the last eight days in Washington  
and Montana from registered mail  
pouches, according to information  
given out here today by post-office in-  
spectors, who admit they have no clue  
to the thieves.

The theft occurred at Havre,  
Mont., when a mail sack was slit open  
on the station platform and \$1,000 taken.  
The second took place somewhere be-  
tween Seattle and Wilbur, Wash., when  
\$5,000 in small currency was stolen.  
The third was committed near Great  
Falls, Mont., when \$2,000 was taken.  
The postal inspectors believe the rob-  
beries are the work of persons who had

knowledge that large sums were being  
transmitted by registered mail from the  
larger to smaller banks to facilitate  
the movement of crops.

## BARON KILLS HIMSELF.

Smileheart Suicide in Denver Was  
Husband of New York Girl.

DENVER, Col., Oct. 7.—Baron Jacob  
Smileheart, former resident of Amster-  
dam, Holland, committed suicide in a  
local hotel yesterday. The body was not  
discovered until early today, when the  
room he occupied was forced open and  
he was found dead in bed. It is said  
financial difficulties were responsible for  
his act.

Baron Smileheart in 1903 married Miss  
Della Dougherty of New York.

Insults Girl; Fights Policemen.  
Eugene Schmidt, a lonchoreman, of No.  
327 West Eleventh street, was sentenced  
by Magistrate Murphy in the Jefferson  
Market Court today to spend the next

sulted a young girl on West Eleventh

## Lamberts Will Stay Where They Are

"You ought to move into a swell neigh-  
borhood. Your jewelry, your reputation  
and your methods entitle you to a place in  
the best business society in New York."

Usually the suggestion comes in some  
such shape as this. We return thanks for  
the praise and resolve more firmly than ever  
to stay just where we are.

As long as we stick to our decision Lam-  
bert Diamond and Solid Gold Jewelry values  
will continue unmatched. For our customers'  
interest and our own we must decline to pay  
the largely increased rent and other expenses  
connected with a store in a fashionable shop-  
ping district.

What you pay at Lamberts goes for  
guaranteed jewelry values which you take  
away not for art chandeliers and other fancy  
fittings you leave behind.

Lambert Solitaire Diamond Engagement Rings blaze with  
gems bought in Europe and imported direct before the Govern-  
ment doubled the duty on unset diamonds. Mountings  
are hand made in our own factory of solid 14 karat and 18 karat  
gold and platinum. Whether you pay \$10, \$20, \$25, \$50, or any  
other figure up to \$1,500 at Lamberts you save money.

You save money also when you buy a Diamond Bracelet at  
Lamberts fashioned in Solid Gold like one of these.

One of the big advantages of this co-operative  
plan (to you, the buyer) is in the easy terms:  
Compare these terms with regular terms

Through this co-operative effort we are offering to seven hundred persons a piano for two  
hundred and forty-eight dollars and seventy-five cents the same as has been selling for  
years at varying prices from three hundred and fifty to four hundred dollars.

They are offered at one stable price and that the lowest at which such pianos  
have ever been sold. The price has the advantage of not only being the lowest but it is the  
utmost price, as well. For when you have paid the two hundred and forty-eight dollars and  
seventy-five cents, there are then no further payments staring you in the face. No interest  
—no extras bobbing up—but just one low, stable and absolutely fixed price of two hundred  
and forty-eight dollars and seventy-five cents covering everything.

## Plan makes it as easy to own as to rent a piano

After reading over this plan, after digesting it thor-  
oughly—can't you see the ease with which you can  
own a piano?

Can't you see that you can own your own piano as  
cheaply as you can rent the "other fellow's"? Can't  
you see the ease with which you can educate your  
family, musically?

**125**  
**1 week**

The initial payment necessary to  
obtain one of these pianos is FIVE  
DOLLARS. The five dollars is  
deducted from the price—leaving  
TWO HUNDRED AND FORTY-  
EIGHT DOLLARS AND SEV-  
ENTY-FIVE CENTS to be paid at  
ONE DOLLAR AND TWENTY-  
FIVE CENTS a week, with NO  
INTEREST or further payments of  
any nature.

this co-operative plan and it will cost you but one  
dollar and twenty-five cents a week. Now add the five  
dollars a month for piano lessons to this amount and  
you have only ten dollars a month invested in  
music. You are still buying and paying for your  
piano—paying out the same amount of money for mus-  
ical instruction—and yet have sixty dollars a year  
left to spend in some other direction.

## Who should take advantage of this plan

- (1). Any Sunday School, Lodge, Society, Class, Club or Association which can use a piano to  
advantage. An assessment of only a penny or two a week from each member will meet the dues.
- (2). Music teachers—even those who may now own other pianos, and especially those who  
are just beginning.
- (3). Piano students will find this an exceptionally fine practice piano, and of greater value in  
exchange in proportion to what it cost, than any other piano in which they can possibly invest.
- (4). Young persons who through one cause or another are obliged to buy and pay for their  
piano, if they ever expect to own one.
- (5). Any one and every one who is now renting a piano.
- (6). Theatres, moving-picture shows and other places of amusement cannot possibly make a  
better investment than in one of these player-pianos.
- (7). Bachelors should put one of these player-pianos in their dens. There are two styles  
especially suited to this use.

## Player-pianos can be purchased on the same co-operative plan

Three hundred player-pianos will also be sold on this co-operative plan.  
The usual price of these player-pianos is five hundred and fifty dollars  
each.

The co-operative price will be three hundred and ninety-five dollars,  
with NO INTEREST to be added.

The player-piano will also be delivered immediately upon the payment  
of five dollars.

The payments will be two dollars a week—giving you one hundred and  
ninety-five weeks' time in which to make your payments—the same as  
on the piano. The same unconditional guarantee that is given on  
the piano is given on the player-piano.

You can also get your money back at any time within thirty days.  
You get the same privilege of exchanging within a year as that given with  
the piano.

All of the unpaid balances will be voluntarily cancelled in event of death.  
Also, a player-piano bench and nine rolls of music (your own selection)  
are included without extra charge.

An arrangement will be made with each purchaser whereby new player-  
pianos can be procured at a cost of only 5 cents a roll.

These player-pianos are standard 88-note players; that is, they play every  
note on the piano when the music roll is in motion. These player-  
pianos have an automatic shifter, which compels the music to play per-  
fectly. Most player-pianos sold at from two hundred to two hundred  
and fifty dollars more than these will not play perfectly. These  
player-pianos have lead tubing. Most player-pianos have rubber  
tubing. The life of rubber is one year—at most. Lead lasts for-  
ever. It cannot wear out and the tubing in these player-pianos is so  
placed it cannot be broken.

All of the features of the co-operative plan are carried out in offer-  
ing the player-pianos, with the single exception that the terms  
on the player-piano are two dollars a week instead of—as on the  
piano—one dollar and twenty-five cents a week.

- (8). Business and professional men  
who want to get completely away  
from their work for an hour or so a  
day should by all means get one  
of these player-pianos.

Cut out this coupon and mail to-night.
